Jak to szybko zapamiętać?

Used to

Get used to

Be used to

Meaning	A habit in the past. You don't do it anymore (=it was done often)	You started doing something new and it's becoming familiar (=it's becoming familiar)	You have been doing this for some time and now you're very familiar with it (=it is familiar)
Pattern	Used to + base form	get used to + -ing verb get used to + noun	be used to + -ing verb be used to + noun
(+)	I used to study Spanish when I was in high school.	I am getting used to living in a big city. (I moved here one month ago.) I am getting used to my online classes . (I just started taking classes yesterday)	I am used to living in a big city. (I've been living here for 2 years.) I am used to the snow.
(-)	She didn't use to eat meat, but she eats it every day.	I haven't gotten used to studying online I didn't get used to winter in Canada, so I moved to Brazil.	Even after 3 years I am not used to studying online yet. (I hate online classes) I am not used to the cold.
(?)	Did he use to play soccer when he was in high school?	Has he gotten used to working from home? Have you gotten used to Zoom?	Is he used to studying English online every day before going to work? Are you used to the snow?
